President's Birthday Dinner Great Success

About one hundred and fifty persons sat down to a delicious home-cooked Turkey Dinner at the Grange Hall, Saturday, January 29th. This Dinner in honor of the President's Birthday was sponsored by a local citizens committee and the proceeds are given to establish a New Foundation for Infantile Paralysis. The dinner was given in the lower hall. After the dinner remarks were given by Postmaster Francis J. Correia, who introduced the Toastmaster Mr. Michael Barry. Speakers were, Mr. Charles Black, representing the Board of Selectmen, Rev. Mr. Seaboyer, the Hon. Herbert Trull, Representative in the General Court from this district, and Lieutenant Madigan of the Governor's Staff who represented His Excellency, Governor Charles F. Hurley.

After the dinner, a fine entertainment was given in the upper hall by members of the National Broadcasting Artists Bureau. The show was well received by all present, and all had a wonderful time.

The Birthday Cake, beautifully made and decorated by Mr. Leo O'Connell of this town was given to the children of the North Reading State Sanatorium for their dessert for Sunday's Dinner. The officials of the Sanatorium extend thanks to the committee for

their thoughtfulness.

The committee in charge of the affair consisted of, Mr. Francis J. Correia, Chairman, Joseph B. McMahon, Treasurer, Joseph Grimes, Frank O'Hara, M. Weinberg, A. L. Osterman, John Finnerty, Gardner Ritellie, Michael Barry, Mrs. Michael Barry, James Castine, Dr. Fagan, Mrs. D. Martin, Archie Thurston, Harry Ainsworth, James Gilligan, Ernest Cail, Chester Nichols, Jerome O'Leary, Mrs. Susan T. Esler. Honorary Committee Members were Rev. Mr. Seaboyer, Rev. Mr. Simmons, Rev. Fr. White, Rev. Fr. McGoonan, and Mr. S. G. Bean.

The Committee wishes to thank for their services, Mr. Milo Ingalls, Mr. James Gracie, Mr. Arthur Correia, Mr. Leo O'Connell, and Chief Harry Ainsworth. These gentlemen are responsible for the delicious dinner which was served.

The committee also wishes to thank for their donations all the merchants and friends who so kindly gave articles of food so that the profit to be turned over to the Foundation

The Police Blotter

Supt. A. G. Sias of the Reading Municipal Light Dept., reported to the local police that 1000 feet of copper wire were cut from the poles along Wild Ave., in the Silver Lake Section, during the past week.

The thieves evidently had used a pruning knife on a long pole similar to those used by the local Moth Dept., to prune limbs on trees. The wire was cut from pole to pole all along the street. This was evidently done in the early hours of the morning when all the street lights were out as no signal was given at the Power House which would signify any tampering or accident involving the wiring.

Investigators from the Light Department as well as the local police are investigating and an arrest is expected momentarily. On inquiry, the police department were informed by Tree Warden J. W. Babine that upon check, no pruning tools were missing from the supplies of the Moth department.

might be greater.

A complete financial report of this affair will be published at a future date.

UNEMPLOYMENT COMPENSATION

Lump Sum Payments

In exceptional cases, the commission may at the request of the worker or with his consent pay him in lump sum up to 80% of the amount to which he is entitled instead of paying him weekly benefits. This will only be done under unusual conditions as when the individual has no prospect of securing work in his own state but may secure work elsewhere.

Sales Tax Helps Welfare

An interesting figure appeared in the Boston Post on January 10th, pertaining to the 2% sales tax, to take care of all welfare costs in cities and towns throughout the state.

A list of all the cities and towns was given showing the amount that the tax rate would be reduced providing this sales tax was put into effect. The average reduction for the state would be \$7.02. The tax rate in Wilmington would be reduced by an amount of \$4.93, which is considerably below the average. These figures tend to show that our welfare costs according to our valuation, is far below the state average.

ART CLASS

Mrs. Gulliver's free-hand art class is progressing very successfully. The class has already drawn two poses of girls, a vase of flowers with pastel crayons, a Thanksgiving scene, and has also finished their very fine Madonnas.

They are now working on a lesson called a "Trip Around the World." Mrs. Gulliver has selected special countries and each pupil will draw something to represent the country. She is likewise having the statue of Liberty, done, and a ship leaving and returning to the United States.

Thomas Farrell is drawing the ships, Vada Ainsworth is doing the Statue of Liberty, Eleanor Dec has Alaska, Josephine Goff has Holland, Mabel Libby the Sahara desert, Rita LeFreniere has Pueblo Indians and Dorothy Cutter has Mexico. The rest of the class is also representing other countries of Europe.

Dorothy Cutter.

LOCAL BOY RUNNER UP AT GARDEN

George Shepard, seventh grade pupil of the Daniel T. Buzzell School, came in at second place at the Midget Skating Championship on Sunday, January 23rd at the Boston Garden. The winner was presented with a pair of silver skates and a cup by Mayor Tobin of Boston.

Although George didn't win he came close enough to give the children of his school something to talk about. Keep up the good work George.

Ethel Rose.

ATHLETICS

January 26, 1938, another Basketball game was played at Acton between the first and second boys teams. The girls did not play because Acton does not have a girls' team.

Wilmington won the first team game by a score of 14-13, but didn't do as well in the second team game, losing by a score of 12-4.

In the first game Daniel Carter and Sonny Gadbais made the most baskets, while Sonny Trow and Steve Pilcher did the basketwork in the second.

Sonny Gadbais injured his ankle in the first half but this accident did not prove to be serious.

The line-up of the first team was:

Ring R. G.
Jacobs L. G.
Carter C.
Gadbais R. F.
MacDonald L. F.

The line-up of the second team is not definite.

On Monday evening January 31, the Wilmington High girls played Howe High. Due to better team work on Howe's part they were able to defeat the Wilmington girls. The score was 22-9.

The line-up was as follows:
H. Witkum Forward
J. Mosack " "
J. Cates Guard
G. Dickenson " "
H. Lynell Center
R. Andrews Side Cen.

Subs, were B. Metcalf, H. Waters, and B. Scott.

The schedule for the Girls' Basketball team is as follows:
Feb. 4 -- Townsboro -- away
Feb. 7 -- Methuen -- away
Feb. 15 -- Johnson -- home
Feb. 16 -- Methuen -- home
Feb. 18 -- Chelmsford -- home
Also class games with Pundard in Andover, are scheduled for Feb. 9th. Class games are scheduled with Reading but the date is unknown.

Ice Hockey

For the past week the ice hockey squad has been busy building a better organized team. Each afternoon a scrimmage was held and the team shows quite a bit of improvement, but still the boys need practice inside a rink. Although the school has the use of one it was not put up until lately.

With a few more weeks of winter left the team should make a good showing against any team they may meet.

Wednesday evening Mrs. George DeLisle of Brand Ave. was given a surprise party at the home of Mrs. Francis Corrie, by the members of the St. Thomas Guild. Mrs. DeLisle was presented with a lovely clock, and was commended on the wonderful work she has done as the President of the Guild last year.

Around the Firehouse

In our endeavor to make our annual affair a success, since the proceeds will be used to establish a fund to purchase uniforms for the members of the department, we are giving you a program of entertainment well worth the price of admission along with dancing from 10 P. M. to 1 A. M. We hope to have the support of all the townspeople in putting this affair over the top.

Don't forget, Washington's Birthday, February 22, 1938, at 8 p. m., at the Grange Hall. Subscription admitting Lady and Gentleman \$1.00.

It has been called to our attention that some of the townspeople make a habit of running a light cord from a floor lamp under the carpet to the plug. This is a dangerous habit, since the insulation of the wire is of light material and easily wears off, thus creating a fire hazard in your home.

If a certain fireman would read this column more often, perhaps he would not find it necessary to call the department before breakfast for an overheated stove.

Signed,
Wilmington Fire Dept.

Mr. Fred McQuaide, a member of the Board of Selectmen, was drawn for jury duty in the Civil Session of the Superior Court at East Cambridge. He will report for duty on February 14th.

With the Legionnaires

An interesting and enjoyable evening occurred at the Legion Hall on Wednesday night January 26, 1938. The local Post was host to the North Reading, Wakefield, Stoneham and Melrose Post of the American Legion which comprise the fifth district of Middlesex County.

Richard Cunningham, Dept. Vice Commander, Geo. Flynn, Middlesex County Commander, Dan Shay, Senior Vice Commander and Dan Brennan, Junior Vice Commander of the County were present. The meeting was opened by Chester W. Nichols, Commander of the local Post who turned the gavel over to Charles Mahoney, District Commander for the business of the fifth district.

The County officers made short addresses concerning Legion affairs. Dick Cunningham, the Dept. Vice Commander who installed the present officers of Wilmington Post made a particularly moving and interesting address detailing the program of the American Legion for the year 1938.

Junior Vice Commander Brennan told several stories in French Canadian and Italian dialect which were thoroughly enjoyed. Additional entertainment was by moving pictures furnished by the New England Telephone and Telegraph Co.

Refreshments were served after the meeting in the Post rooms downstairs. It was a

For Sunday and Monday, the main attraction is one of Will Rogers' most human dramas, "Judge Priest". The added hit is "Think Fast, Mr. Moto" exciting mystery starring Peter Lorre. meeting which the Legionnaires present enjoyed to the fullest, as they made the most of the opportunity to meet their comrades of the fifth district.

Boy Scout Activities

On Friday night January 28, 1938 the Boy Scouts held their weekly meeting at the Town Hall.

About thirty-five scouts were present including several visitors.

A signalling contest between patrols was won by the Owl Patrol. William Mende was welcomed back by all.

Classes were then held, such as judging knife and hatchet signalling, and first aid.

Instructors were Ted Norton, Charles Soule, Elwin Hoovey and Wes Cohn.

Investiture ceremonies were held and Talbert Flood became a tender-foot scout.

The meeting closed at 9:00 A. M.

An officers meeting was held after the meeting.

Boy Scout Week is coming soon. It starts February 6, and as everyone knows, it is a world wide organization that should be respected.

Beginning Scout Week every Boy Scout is supposed to wear the uniform and be known as a scout.

This Week is set aside for them to let the world know about them and their wonderful work.

The 4-H Club had a regular meeting at the home of Mrs. John Reagan, Fairview Ave., Wednesday afternoon. Mrs. Reagan showed the youngsters how to make corn cake and golden glow salad. Refreshments were served.

We understand that the St. Thomas Guild has disbanded, and we're sorry to hear it. The Guild has done wonderful work in the past few years, in many ways that the public does not know of, especially at the Yuletide time of the year. Mrs. George DeLisle who has just finished her term as President this week conducted the last meeting of the Guild a short time ago.

I ask you Jerry will you still swap cards with anyone to the Bingo!

BUSINESS CLASSES TAKE TRIP

The Freshman and Sophomore Classes went on an excursion last Wednesday to the Ford Plant and to the Navy Yard.

They stopped first at the Ford Plant, and were shown around the factory, then they were shown the building of automobiles and trucks.

They next went to the Navy Yard. We were shown through the Constitution by Mr. Harvey, our teacher, who directed us. Then while on the Constitution we heard the speech made by Charles E. Jeaynes, Jr., the child evangelist.

Afterwards we saw the Destroyer that was in the yard, and we were shown all over its quarters by a sailor.

When we were about to leave, we were asked if we would like to go through the Rope Walk, and we agreed. We were shown all the process of making rope for the Navy. We also saw the boat Henry Ford made.

Alfred Lynch.

Mr. Rupert Delaronde of Federal St., was drawn for jury duty in the Criminal Session of the Superior Court at East Cambridge. He will report for duty on March 8th.

We understand that a certain couple from Glen Road formerly from East Boston ate so much at the Banquet Saturday night, they used a whole box of Biearb, Sunday. I hope you're feeling better E and M.

FINANCE BOARD CHAIRMAN AGAINST RACING

A letter was received by Mr. Melzer, chairman of the Board of Selectmen, from Mr. C. W. Crooker of Boston, asking if he was in favor of racing (horse and dog), and if he wasn't how the \$2,000 some odd dollars that the Town will receive as its share of racing revenue could be made up. Mr. Melzer turned the letter over to Mr. Barrows, chairman of the Finance Board who said, "I don't believe that this money can ever be the equivalent of the damage it has caused to the morals of the younger people, and as long as we receive this money we are not showing any advancement in financing our government."

"Wilmington has done very well without the revenue before, and no doubt it can gain. I personally will be glad for the opportunity to vote against racing and liquor."
